Affirmations of Non-Consent

- • I do not consent to any form of surveillance, data collection, biometric tracking, or electronic interference.
- • I do not consent to unlawful governance, taxation, forced identification, or registration of my essence or property.
- • I do not consent to medical, legal, or administrative procedures imposed without clear, transparent, voluntary, and informed consent.
- • I do not consent to enslavement through monetary systems, birth certificate contracts, debt instruments, or fiat currency schemes.
- • I do not consent to trespass upon my soul, land, body, mind, family, or trust, either spiritual or physical.

Binding Nature of this Covenant
